Dear Sir

CAD-IT Consultants (Asia) Pte Ltd has been a very good partner of Compart since year 2008, in the implementation and support of ANSYS simulation. They provide good service and support which help us to solve the problem and optimize our processes. They also provide a fast response when we need technical support.

We would like to say "Thank you very much" to CAD-IT team and would like to keep CAD-IT to our partnership forward.

Yours Sincerely,

*Amnuay*
