*Attention : Timothy Kwan*

Dear Mr. Timothy,

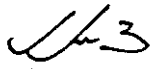

### LETTER OF COMMENDATION

Kolej Tunku Abdul Rahman has acquired the Moldflow software from CAD-IT Consultants (M) Sdn Bhd in October 2001. Since then, both the students in Materials & Manufacturing Engineering and Mechanical Engineering have used the software.

The software has enabled our students to enhance their knowledge on plastics materials as well as the injection moulding process.

We would like to extend our appreciation to your company for the prompt response to our technical needs, as well as the excellent training and support services provided to us.

Thank you and best regards,

  
Khoo Kee Tong  
Head  
Materials Engineering Division
